YOUR BIRTHDAY TODAY

You will focus this year on learning new methods that will help you handle things more smoothly. Pitfalls will not sidetrack your will to make progress.

ARIES (Mar 21-Apr 19): Weigh carefully what you say and scrutinize closely what you write today. Your thinking tends to be fuzzy.

TAURUS (Apr 20-May 20): Misunderstanding, mistakes could result if you handle someone else's money carelessly. Check totals. Get receipts.

GEMINI (May 21-June 20): Spell out agreements you make today to be certain terms are clearly understood by all parties involved.

CANCER (June 21-July 22): Petty attitudes of others may result in unreasonable criticism of your work today. Ignore the barbs.

LEO (July 23-Aug 22): Avoid the "inside information" offered by well-meaning friends. The information is likely to fizzle.

VIRGO (Aug 23-Sept 22): If you're in a position where you feel you must alibi to look good, don't. It won't work.

LIBRA (Sept 23-Oct 23): Travel arrangements could be very confusing today. If you're traveling carefully check schedules and timetables.

SCORPIO (Oct 24-Nov 22): Money matters will tend to be complicated today. Count your change twice, particularly if paying old bills.

SAGITTARIUS (Nov 23-Dec 21): Offer only what you plan to deliver in joint arrangements today. Others will know if you're putting them on.

CAPRICORN (Dec 22-Jan 19): Unseen factors make the project you're working on more complicated. Concentrate to keep purpose and direction clear.

AQUARIUS (Jan 20-Feb 19): A casual, innocent flirtation will supply fodder for nosy friends. Be discreet in all encounters.

PISCES (Feb 20-Mar 20): Problems at home should not be aired in public. You may be right, but others' sympathy will be lacking.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: The Spokane Spokesman printed a letter in their Action Corner that puts Women's Lib in the proper perspective. Please print it. This gal speaks for me and millions more, I'll bet.

"Hello, World. Some women want 'Equal Rights' but count me out. If you Women's Libbers must liberate us, please do me in reverse.

"Liberate me from aching feet, cranky customers, hard-to-find babysitters, unhappy children who hate coming home to an empty house. Put me back in my own kitchen. Give me an air-conditioned home, shopping sprees, noisy kids, a husband to warm my feet at night.

"Give me back the time I had to cope with childhood diseases, friendly, well-meaning neighbors, a coffee break, time to catch up on the ironing and mending, reading and visiting.

"Let me smell fresh bread from my own oven, cut grass in my yard, wet pants, dirty kids and freshly washed clothes. Give me back the time to say 'I love you' to my family. What could be more important than that?" — V.F., Ritzville, Washington

Dear Friends in Spokane: Nothing. Absolutely nothing. Thanks for reminding us.

Dear Ann Landers: My girlfriend, age 25, wants a suntan all year round. From May through September she bakes herself outdoors. When there is no available sun she hauls out the sun lamp. This has been going on for at least seven years. Last June she noticed some red patches on her face and went to a doctor. He told her she had skin cancer from too much sun. He said it was not serious and simple surgery would take care of it. He told her to stay out of the sun or risk more skin cancer.

Now my friend is very depressed because she hates the way she looks without a suntan. Yesterday she was back under the sun lamp, and says the lamp is not as bad as the sun. Is she right? — Every Day Is Sunday In Tranverse City

Dear Ev: She should ask her doctor. He will tell her that skin cancer patients should NOT subject themselves to unnecessary ultra-violet rays — nature's or man-made.

There are many newly perfected cosmetics that can give the appearance of a sun tan without the skin-punishing exposure. I recommend them.

Dear Ann Landers: A letter from one of your readers stated "escort services are recommended by the Better Business Bureau." The policy of all Better Business Bureaus prohibits the recommendation or endorsement of any business or person. If one of our colleagues has erred we would appreciate having the matter reported to the Council of Better Business Bureaus in New York.

Commercial escort and computer dating services are not in the public interest unless research and examinations are performed which substantiate that the people matched are safe in respect to rape, prostitution, robbery, and other crimes perpetrated by one on another. You may have read that one computer dating service was prosecuted as a prostitution ring.

If you have space in your column, you might clear up the endorsement-recommendation statement. Thank you kindly. — Robert Bonner, BBB Grand Rapids, Michigan.

Dear R.B. of BBB: I am making space in my column for what I consider a useful piece of information. Thank you for writing.

Some plants have two kinds of flowers, both growing on the same plant.
